MEMORANDUM FOR DIRECTOR OF CENTRAL INTELLIGENCE

SUBJECT: CCPC Study on Intelligence Activities Against
Illicit Narcotics Trafficking (S)

REFERENCE: NFIB-D-64,7/4 CCPC-D-5/76, 29 October 1976

1. (S) I have reviewed the CCPC study and find it a valuable examination of the intricate problems surrounding this subject. The legal restrictions on national foreign intelligence activities, protection of sensitive sources and methods, limited resources and intelligence priorities are perplexing issues which should be addressed by the National Security Council (NSC).

2. (S) I concur with your suggestion that the National Foreign Intelligence Board endorse the CCPC study and forward it to the NSC with a request that specific actions pertaining to departments and agencies outside the Intelligence Community be initiated by the NSC.
